

# PGY-2 Health-System Pharmacy Practice Administration

## Bay Pines VA Health Care System

10000 Bay Pines Blvd ♦ Bay Pines, FL 33744

### Bay Pines VAHCS

The Bay Pines VAHCS is a non-profit, teaching medical facility located on 337 acres situated on the Gulf of Mexico. The healthcare system serves a 10-county area from Pinellas County in the north to Collier County in the south. With 1,207,961 outpatient visits and 118,349 patient care days, Bay Pines VAHCS serves the healthcare needs of America's veterans in West Central and Southwestern Coastal Florida by providing primary care, specialized care, and related medical and social support sources.

### Description

This specialty residency is designed to enable the resident to develop the professional skills necessary to serve in a pharmacy clinical or operational leadership role. It includes exposure to national, regional, and local activities that are directed to support team management, regulatory compliance, performance measure monitoring and compliance, and resource management. Upon completion of the program, the graduate shall be able to develop, implement, and manage clinical and operational pharmacy services while employing newly developed skills in personnel management and development, communication, resource management, fiscal management, regulatory compliance, and program development.
